28 September 2023

This is a GP appointment letter

It is just an appointment letter and tells you nothing useful. It was supplied a month ago. The appointment was 6 weeks ago.

This is just an example GP appointment letter.

This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter. This is just an example GP appointment letter.
